STANDARDS

Free Standards

Each full dues paying Member receives a free standard each year of membership. All downloadable ISA standards qualify. Accredited by the American National Standards Institute (ANSI), ISA has published more than 135 standards, recommended practices, and technical reports, through the dedicated efforts of a network of industry experts.

CERTIFICATION

Free Job Analysis Study

ISA Members can get the Certified Automation Professional™ (CAP™) job analysis study (valued at \$150) free of charge. The analysis includes an evaluation of the key job tasks performed by automation professionals and an evaluation of their importance, criticality, and frequency. The analysis indicates the number of questions on the CAP exam for each task the automation professional performs.

EDUCATION & TRAINING

Free Web Seminars

Full dues paying Members have free access to a library of over 40 online pre-recorded web seminars. ISA's web seminars cover the hottest topics and are led by leading experts in the field. You'll choose from topics like safety instrumented systems, ethernet, control systems security, fieldbus, grounding, and much more.

PUBLISHING

Free Technical Papers

Over 2,500 technical papers from past ISA EXPO conferences and ISA Division symposia are available for download as PDF files from ISA's Web site at no cost to ISA Members (full dues paying) during the term of membership. New papers are added each year as new conferences are conducted. A search system allows retrieval of the papers by keyword, event, date, or author and will help you find the technical paper you seek.

CONFERENCES & EXHIBITS

Free Admission to ISA EXPO 2006

ISA EXPO—North America's #1 event for automation professionals—is a catalyst for the exchange of information and ideas. You can find it all under one roof at ISA EXPO. Through a dynamic and timely technical conference, an unparalleled education and training program, and advanced technologies, ISA EXPO provides the tools you need to get ahead and stay ahead in today's marketplace. ISA Members receive free admission to the exhibition, and a discount on conference and training registrations.
